Interclub started on the 28<sup>th</sup> and 29<sup>th</sup> October. This year we have 11 teams, 2 more than last year! Out of the 10 teams that played we had 6 wins, including wins to both of our Grade 1 teams. Each week we want teams to nominate their PSO (Pukekohe Standout Player). The PSO for the week will have their photo published on Facebook and our website. All winners will go in the draw to win a prizepack at the end of the season. Good luck!  
Big thank you to Michelle Richards and Lynette for all the effort they have put in to organizing the teams.

The changing room renovations started this week with the builders planning to finish early December. Only the toilet available is the disabled toilet during
